

ELEVATE

UNIFIED COMMUNICATIONS

Your business phone in the palm of your hand

ALL-IN-ONE

Place a call, send a chat or text, share a file and start a video conference – all from your mobile device

CONNECTED

Your business phone number & extension extends to your mobile phone, ensuring you never miss an important call

PRIVATE

When you place a call, the mobile app sends company caller ID info, never your personal cell number

THE ELEVATE MOBILE APP

This powerful mobile application transforms your phone into an essential collaboration tool, making teamwork on-the-go easier than ever. See who is available, send and receive chats and texts, place calls and see voicemails all from one application—anytime, anywhere.

NEVER MISS IMPORTANT CALLS

Extend your business phone number and extension to your mobile phone, so you can place and receive calls on-the-go or even transfer calls from your desktop phone to your mobile device—seamlessly, without interruption.

EASILY COLLABORATE FROM ANYWHERE

Your full desktop chat and text history is synchronized in real-time with your mobile device so you can stay connected and continue conversations no matter where you are.

The Elevate Mobile App is available in both Android and Apple iOS versions. Download it for free in the Google Play Store or Apple App Store.
